### St Francis Catholic Primary School Mission Statement

Dear Parents

I am writing to you to share the school's new Mission Statement with you

As a school we look at the Catholic life of St Francis continuously. More recently, we have been focusing particularly on our School Mission Statement. We have had one for some time, which has served us well but which we felt was too long and too wordy and needed to be refreshed and revitalised. We have drawn up our new Mission Statement with the involvement of parents, parishioners, staff, children and governors at our School Mission Day.

What we tried to do was to come up with something very simple and direct, which children, parents, staff and the wider community can learn and which they will see as summing up St Francis.

The children love its simplicity, its design and the message it conveys.

I hope that our new Mission Statement helps us to reflect on the school's values and to communicate them to others both inside the school and in the wider community.

Yours sincerely

Mrs E Blanden  
Headteacher
