# RESPONSIBLE PARKING

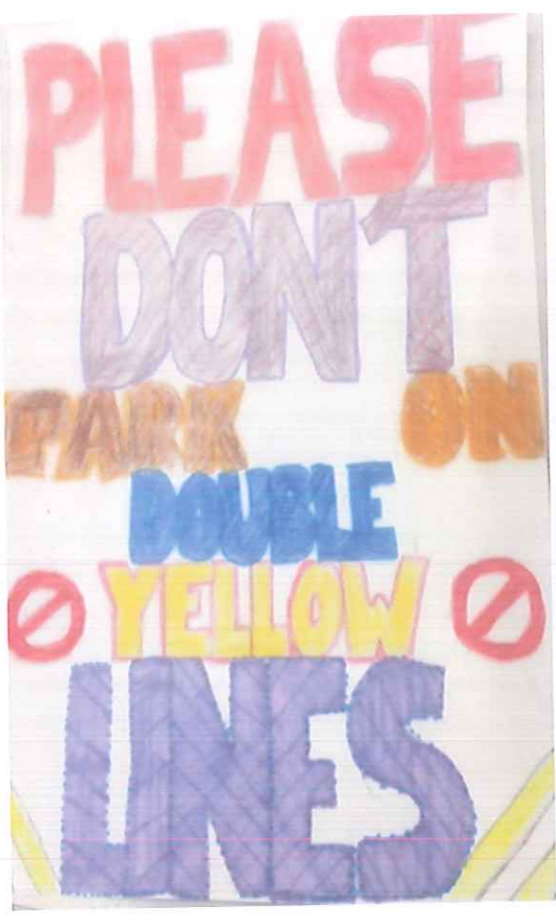

Try not to be dangerous, clearly there's for many crashes.  
 Fast and faster we seem to drive in speeds of cars.  
 We'll have parks land you know,  
 Try not to block them at all!  
 Don't park on a zigzag line,  
 Otherwise you'll have to pay a fine.  
 Try not to double park on both sides of the road,  
 Or a car might have to get road.  
 Don't park on a corner,  
 That's all I have to say as a carner,  
 So road try to be safe while parking.

## ROAD BLOCK

**If you are not on the Walking Bus then you have to think about us... We are the neighbours of the school please do not block us in. that's a rule....**  
**If we ask you to move your car out of the way please don't be nasty with the things you say..**  
**We all need to get along without any hassle. keeping our driveways clear is part of the battle....**  
**Even if you are in a rush please bare a thought for us....**  
**You could always use the walking bus.....**

We would like to thank Mrs. Frost for arranging the exciting activities last week. It was great to see so many children and teachers dressed as book characters.
