Applications for children due to start secondary school in September 2018 open on 4 September 2017 and close on 31 October 2017.

You can apply online at: <https://www.kent.gov.uk/education-and-children/schools/school-places/secondary-school-places>

or by post using a KCC postal application form.

You can apply for up to 4 schools, putting them in order of preference. It's in your best interests to list 4 schools. Naming only one school does not guarantee your child a place at that school or give your child priority for a place over another child, neither does naming a school more than once.

To apply to a school outside of Kent, name the school in your application along with your other preferences. Your application details will be passed on to the relevant local authority for processing.

For advice call 03000 41 21 21 or email kentonlineadmissions@kent.gov.uk
