Dear parents and carers,

The children of the Fledglings group of St Francis parish would love St Francis School children to join them on Saturday 9th December at St Francis School from 10am to 12. On this day Porchlight charity will be giving a very relevant workshop for children about mental health and homelessness. It is designed for children and will involve a lot of practical activities.

If your child(ren) would like to attend, please complete the attached form (health information is for unaccompanied children) and bring it into school as soon as possible. Parents and siblings are welcome to stay for the presentation or children can be left with the fully-checked Fledglings leaders. There is no charge for the session.

Yours sincerely

E A Blanden
Headteacher
