

Takeover Day

On Friday, December 1st the school was taken over by the children!

The (planned!) Takeover Day was a fun and exciting activity for the children. For a day the staff allowed the children to take on professional roles within the school, placing them into decision-making positions and helping them gain an insight into the staff roles and the adult world of work. It also allowed the pupils to voice their views on how the school is run, giving the staff the benefit of a fresh perspective on the way the school is organised.

Twenty Six pupils were chosen to administer a variety of roles; Reception and Years 1-6 each had their teaching roles taken over by pupils. We also had our Head and Deputy Head Teacher, Family Liaison Officer, our Learning Mentor, the ICT Technician, our two Caretakers and our four Office Staff all replaced by pupils. We also had two Lunchtime supervisors.

"I enjoyed helping the office ladies and opening the door for people." – Ciaran Cooper-Hayden

"I enjoyed answering the phone and bringing new kids to their class. I also enjoyed signing people in and out". – Ruby Dalmedo
