

Diversity Week Newsletter - 22nd - 26th January 2024

Acceptance Is My Superpower

By the Young Language Ambassadors

During Diversity Week we got to explore different cultures and our unique differences. The theme of the week was Acceptance is my Superpower and we focused on what our superpowers are. We had an assembly on Monday where the Young Language Ambassadors explained what they wish their superpowers were. Throughout the week we did other amazing things like visiting the gallery, attending the international fair, taking part in dance days workshops and we had a guide dog visit us

By Dara

Guide Dog Workshop

Paul and his guide dog Pasha came to visit us. Paul told us what life is like for him and what a great support Pasha is. Thank you for your generosity and kind donations - we raised almost £200!

Dance Days

On Tuesday 23rd and Wednesday 24th January Sherisse from Dance Days came to teach us fun dances from different countries. Each year group got to choose their own dance style that best fitted with their curriculum. EYFS and Year 3 chose Flamenco from Spain, Year 1 chose Indian Bollywood, Year 2 did The Haka, Year 4 and 6 did Brazilian Carnival and Year 5 chose African dancing. It was interesting to learn the dances and passions of other cultures

International Fair

During the International Fair we got to try lots of different food and learn interesting facts. There were 13 countries represented in our fair, including The Philippines, Colombia and France. As well as tasting new foods, we got to admire traditional clothing and jewellery.

We wish we could do it again!

Gallery

To end our week on Friday 26th January we held the Diversity Week Gallery. The gallery showed everything we had done during Diversity Week. From year R to year 6 and parents, everyone got to come along. It was lovely and everyone loved it! I wish we could do it again

By Sebastian

Our school had a great time when we celebrated Diversity Week.

We hope you enjoyed reading our newsletter.
